

**JSA** PERSONAL  
AKADEMIE  
by Kraftwerk A.Ş

[www.jsapersonal.com](http://www.jsapersonal.com)

# ABOUT US

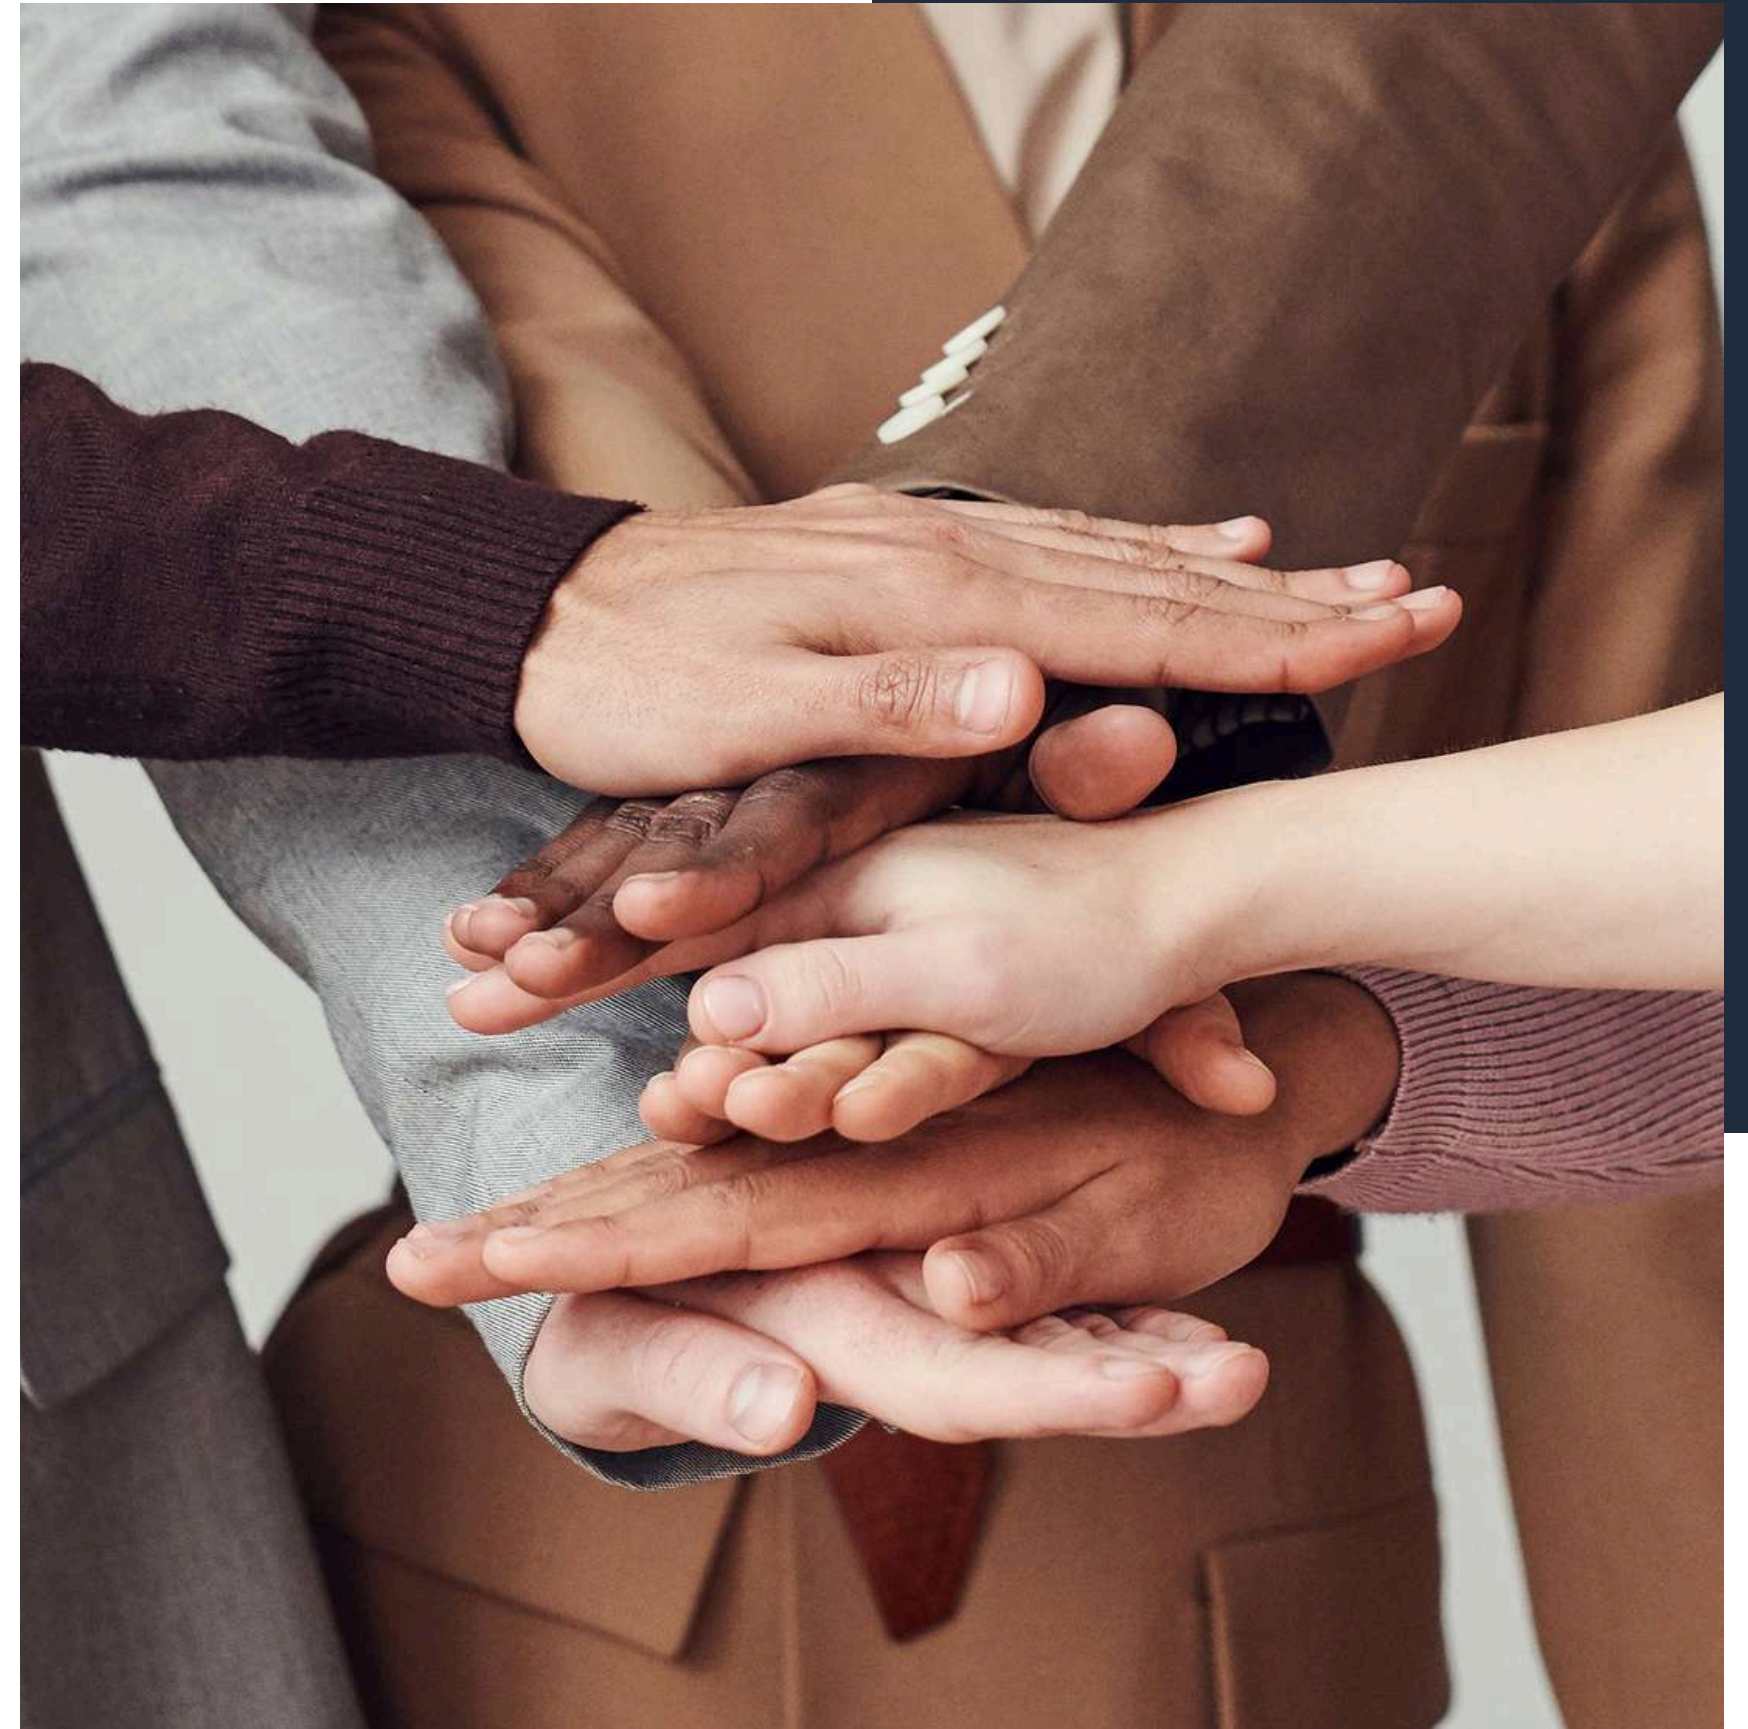

We are a joint stock company that provides international business brokerage services that match qualified Turkish work force seeking employment abroad with companies seeking qualified work force in EU member countries, especially Germany.

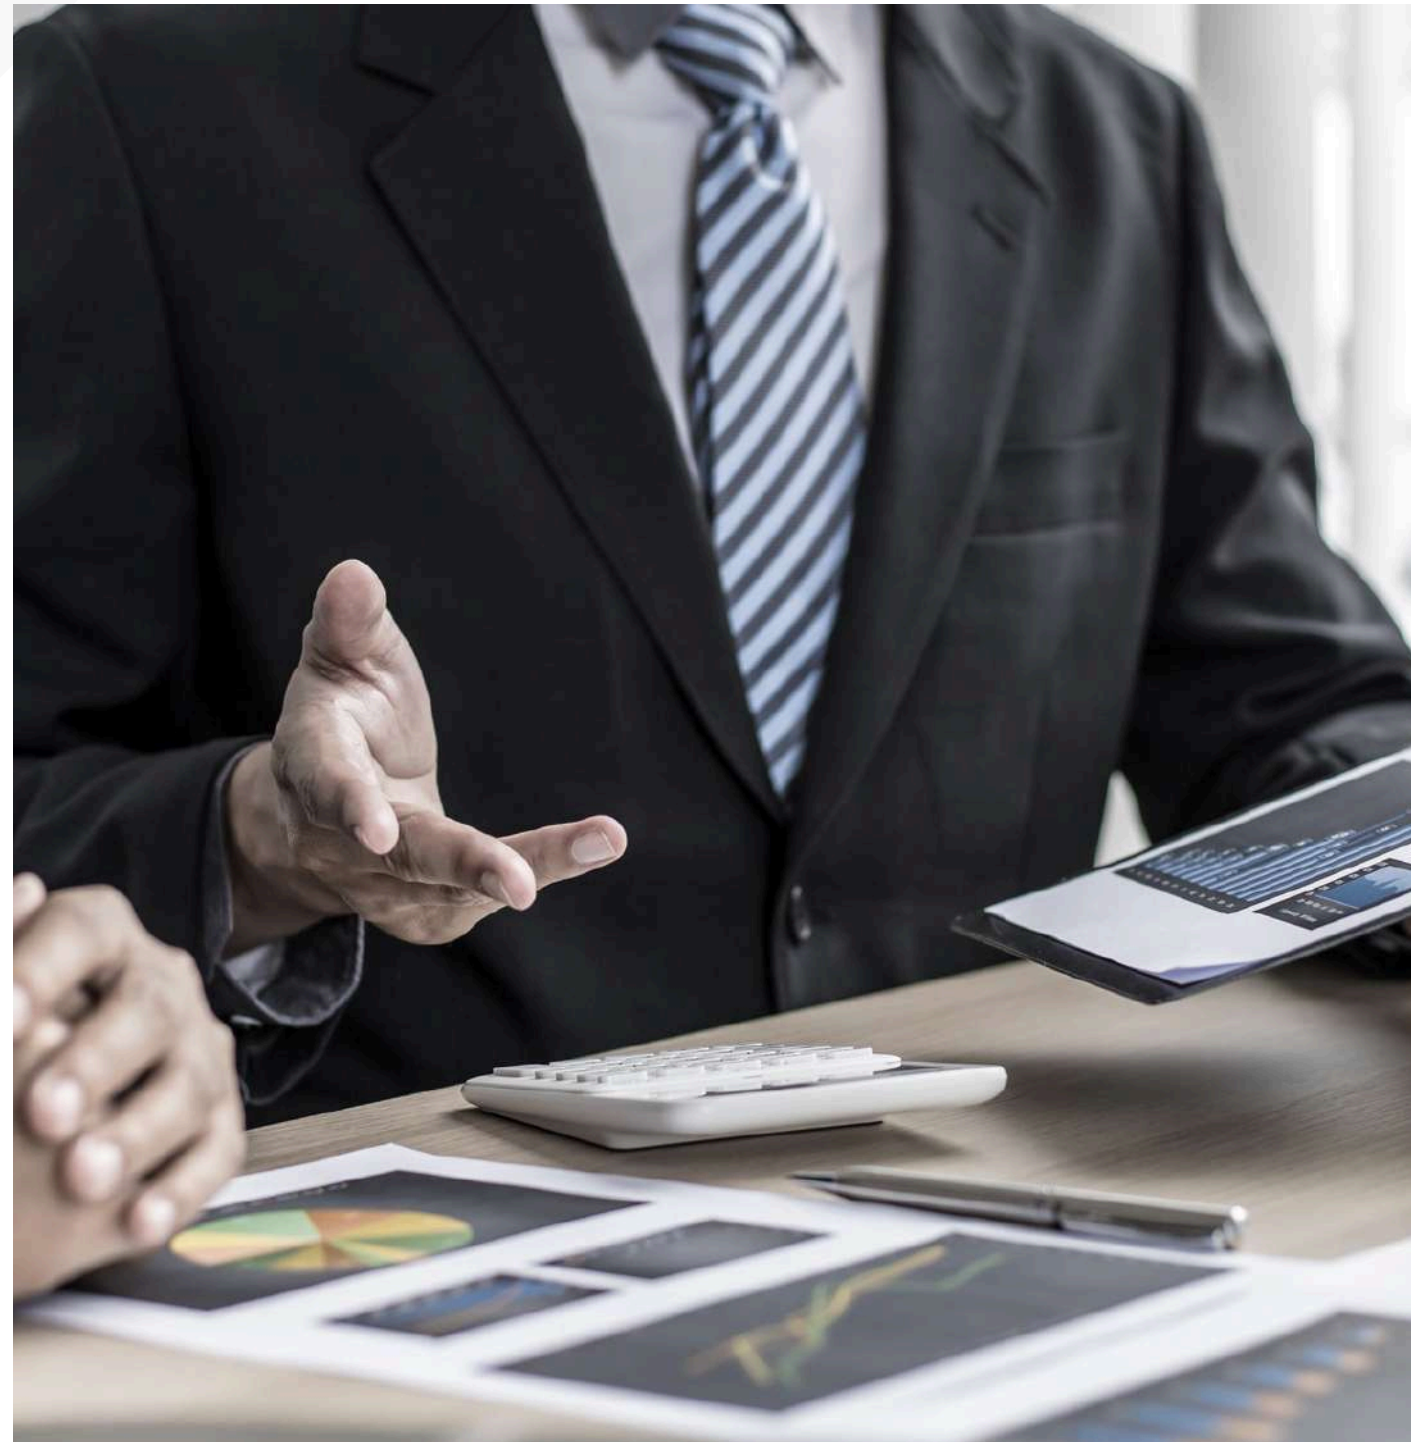

# WE HAVE AN **EXPERT TEAM**

Our company consists of a team of Advocate/Lawyer, Former Consular Attaché, Strategic Planning Expert, European Union Project Expert, Job and Profession Consultant who are experts in the field of work placement abroad.

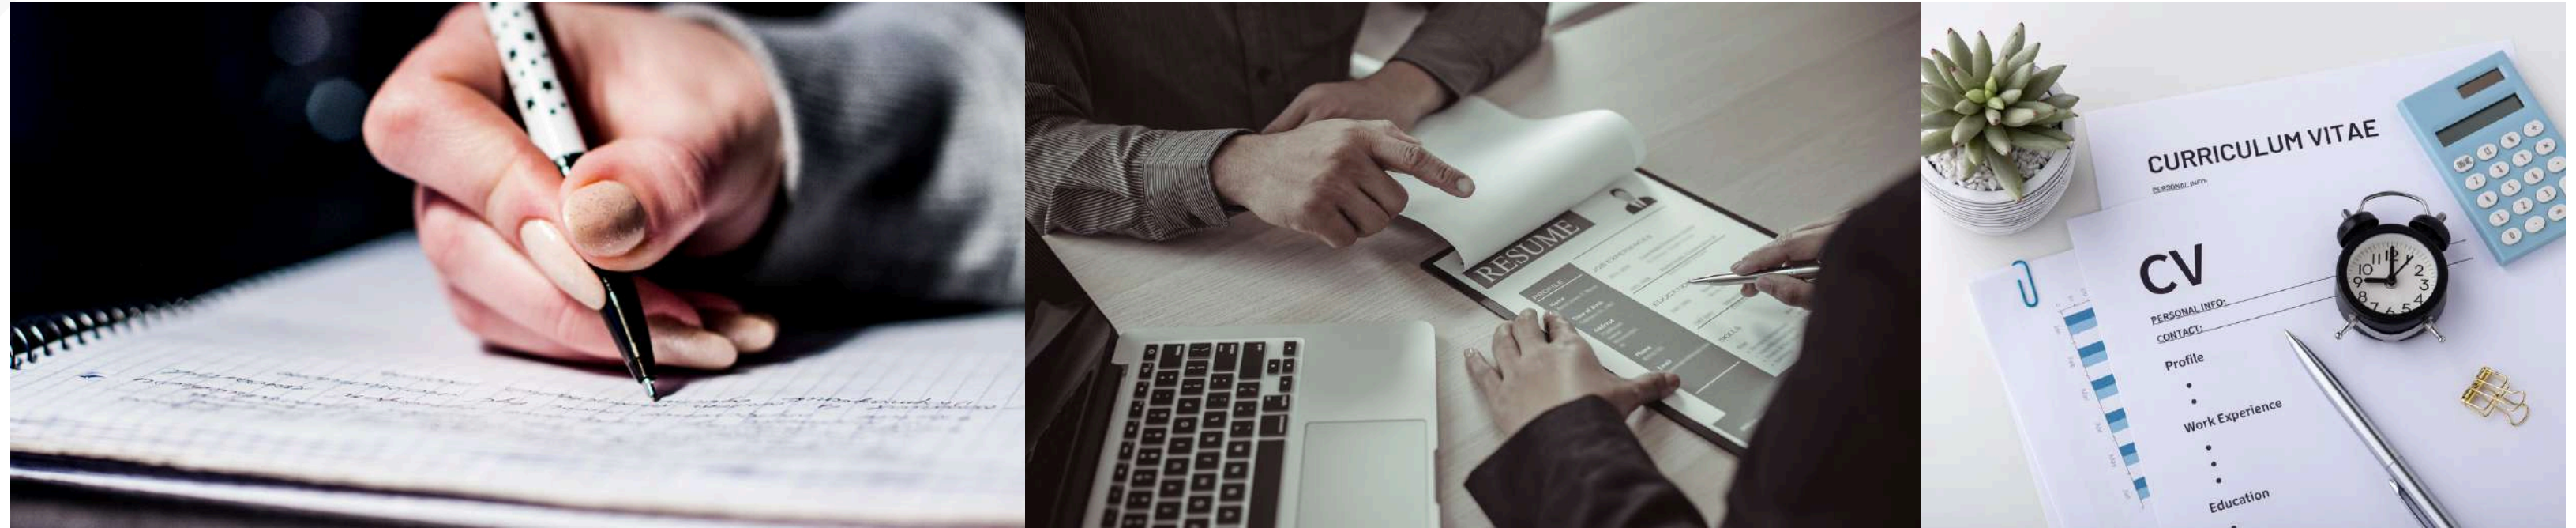

We have a competent team in the field of law, EU projects and work expertise.

OUR MAIN MISSION:  
TO MATCH THE QUALIFIED  
WORK FORCE IN TURKEY  
WITH EMPLOYERS ABROAD

WE ARE  
CREATING A  
**BIG POOL**  
FOR EMPLOYERS

## WE PROVIDE THE WORK FORCE WITH THE **NECESSARY PRE-TRAINING**

We offer personality tests, CV preparation and interview preparation training services in order for employers to match with qualified work force.

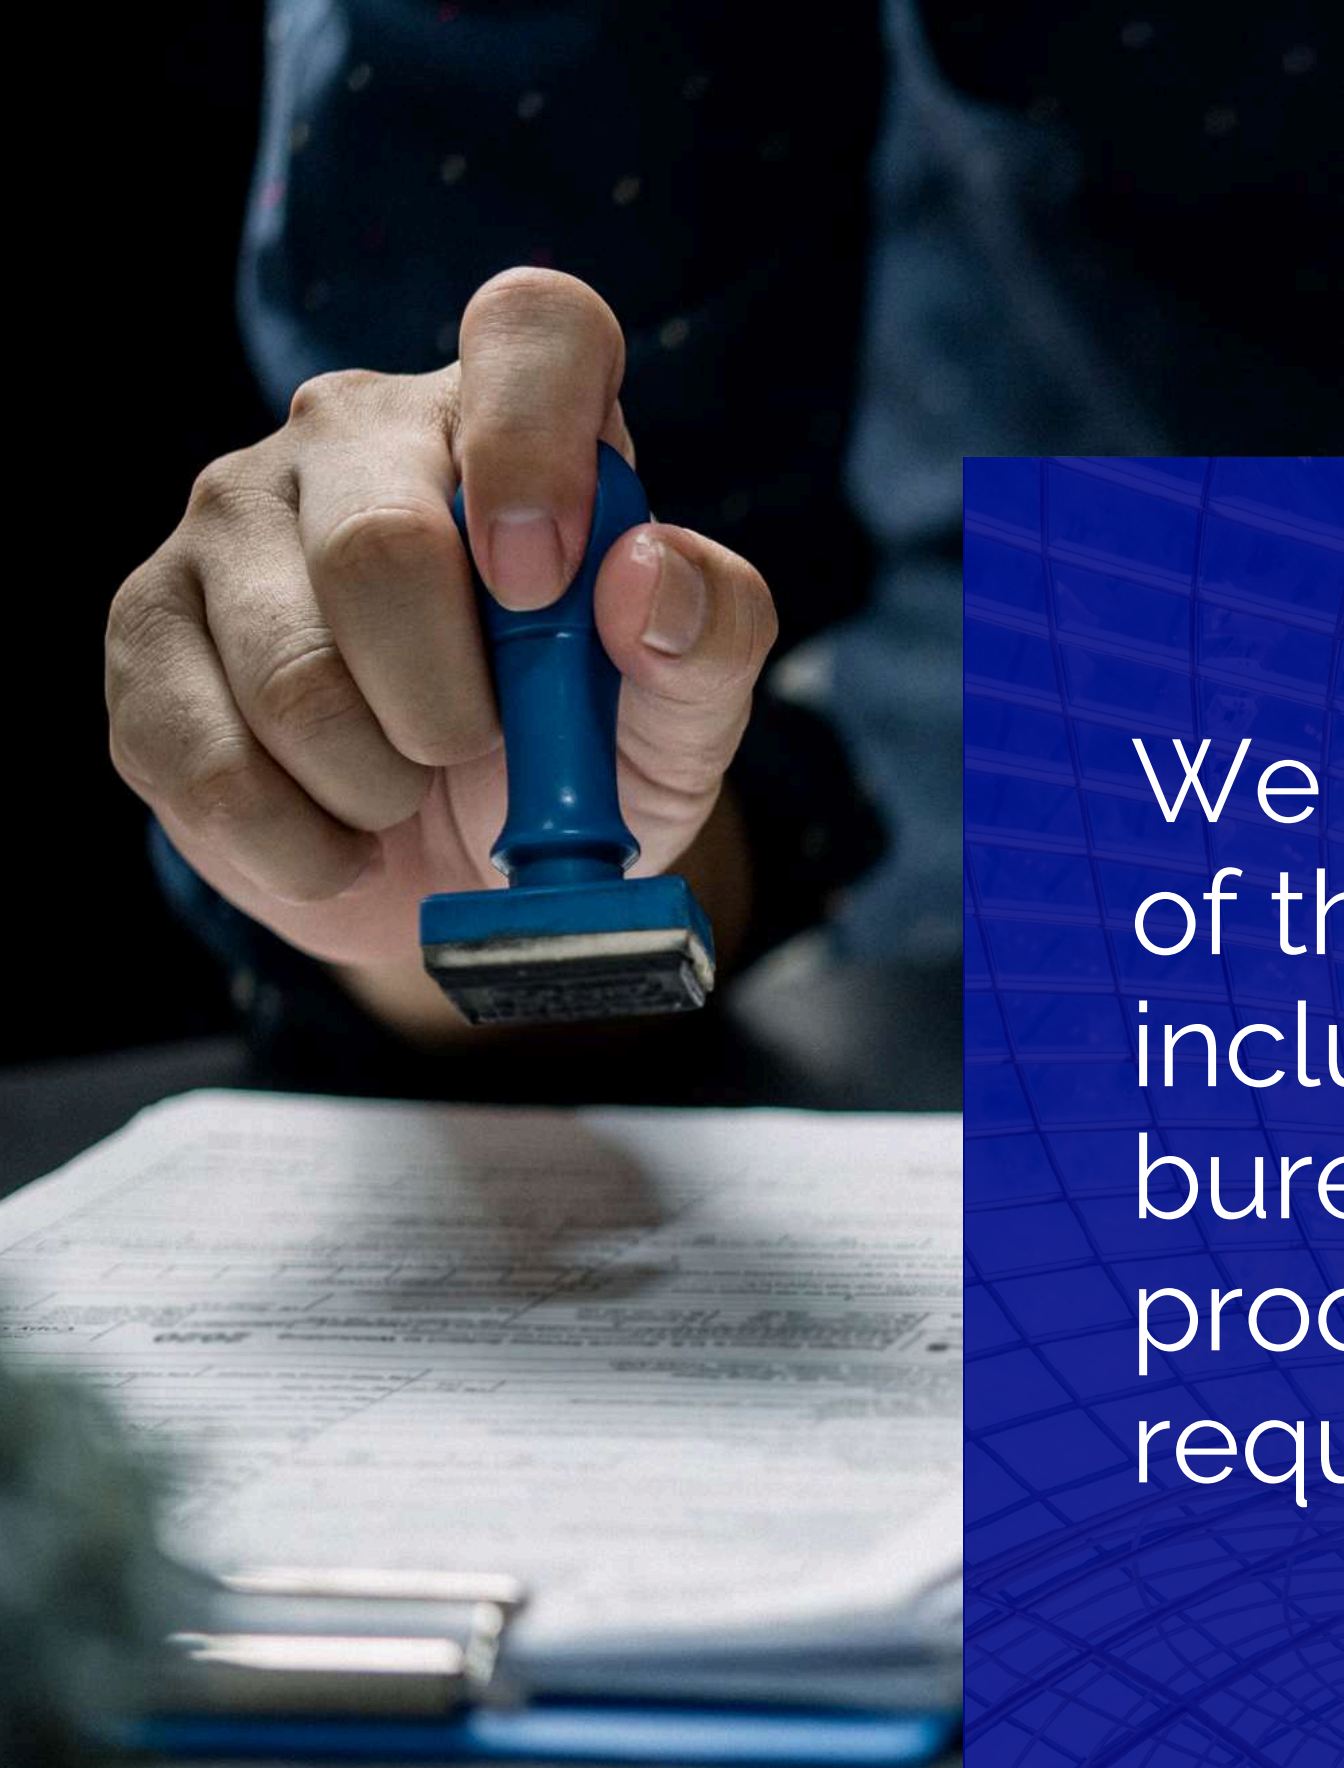

# WE PROVIDE **PRE-CHECKS** OF DOCUMENTS THROUGH E-GOVERNMENT DATABASE

- Diplomas and certificates
- Pre-check of Anabin H<sup>+</sup>
- Professional documents
- Official documents
- Criminal record
- International language grade documents

# WE CARRY OUT THE PROCEDURAL OPERATIONS

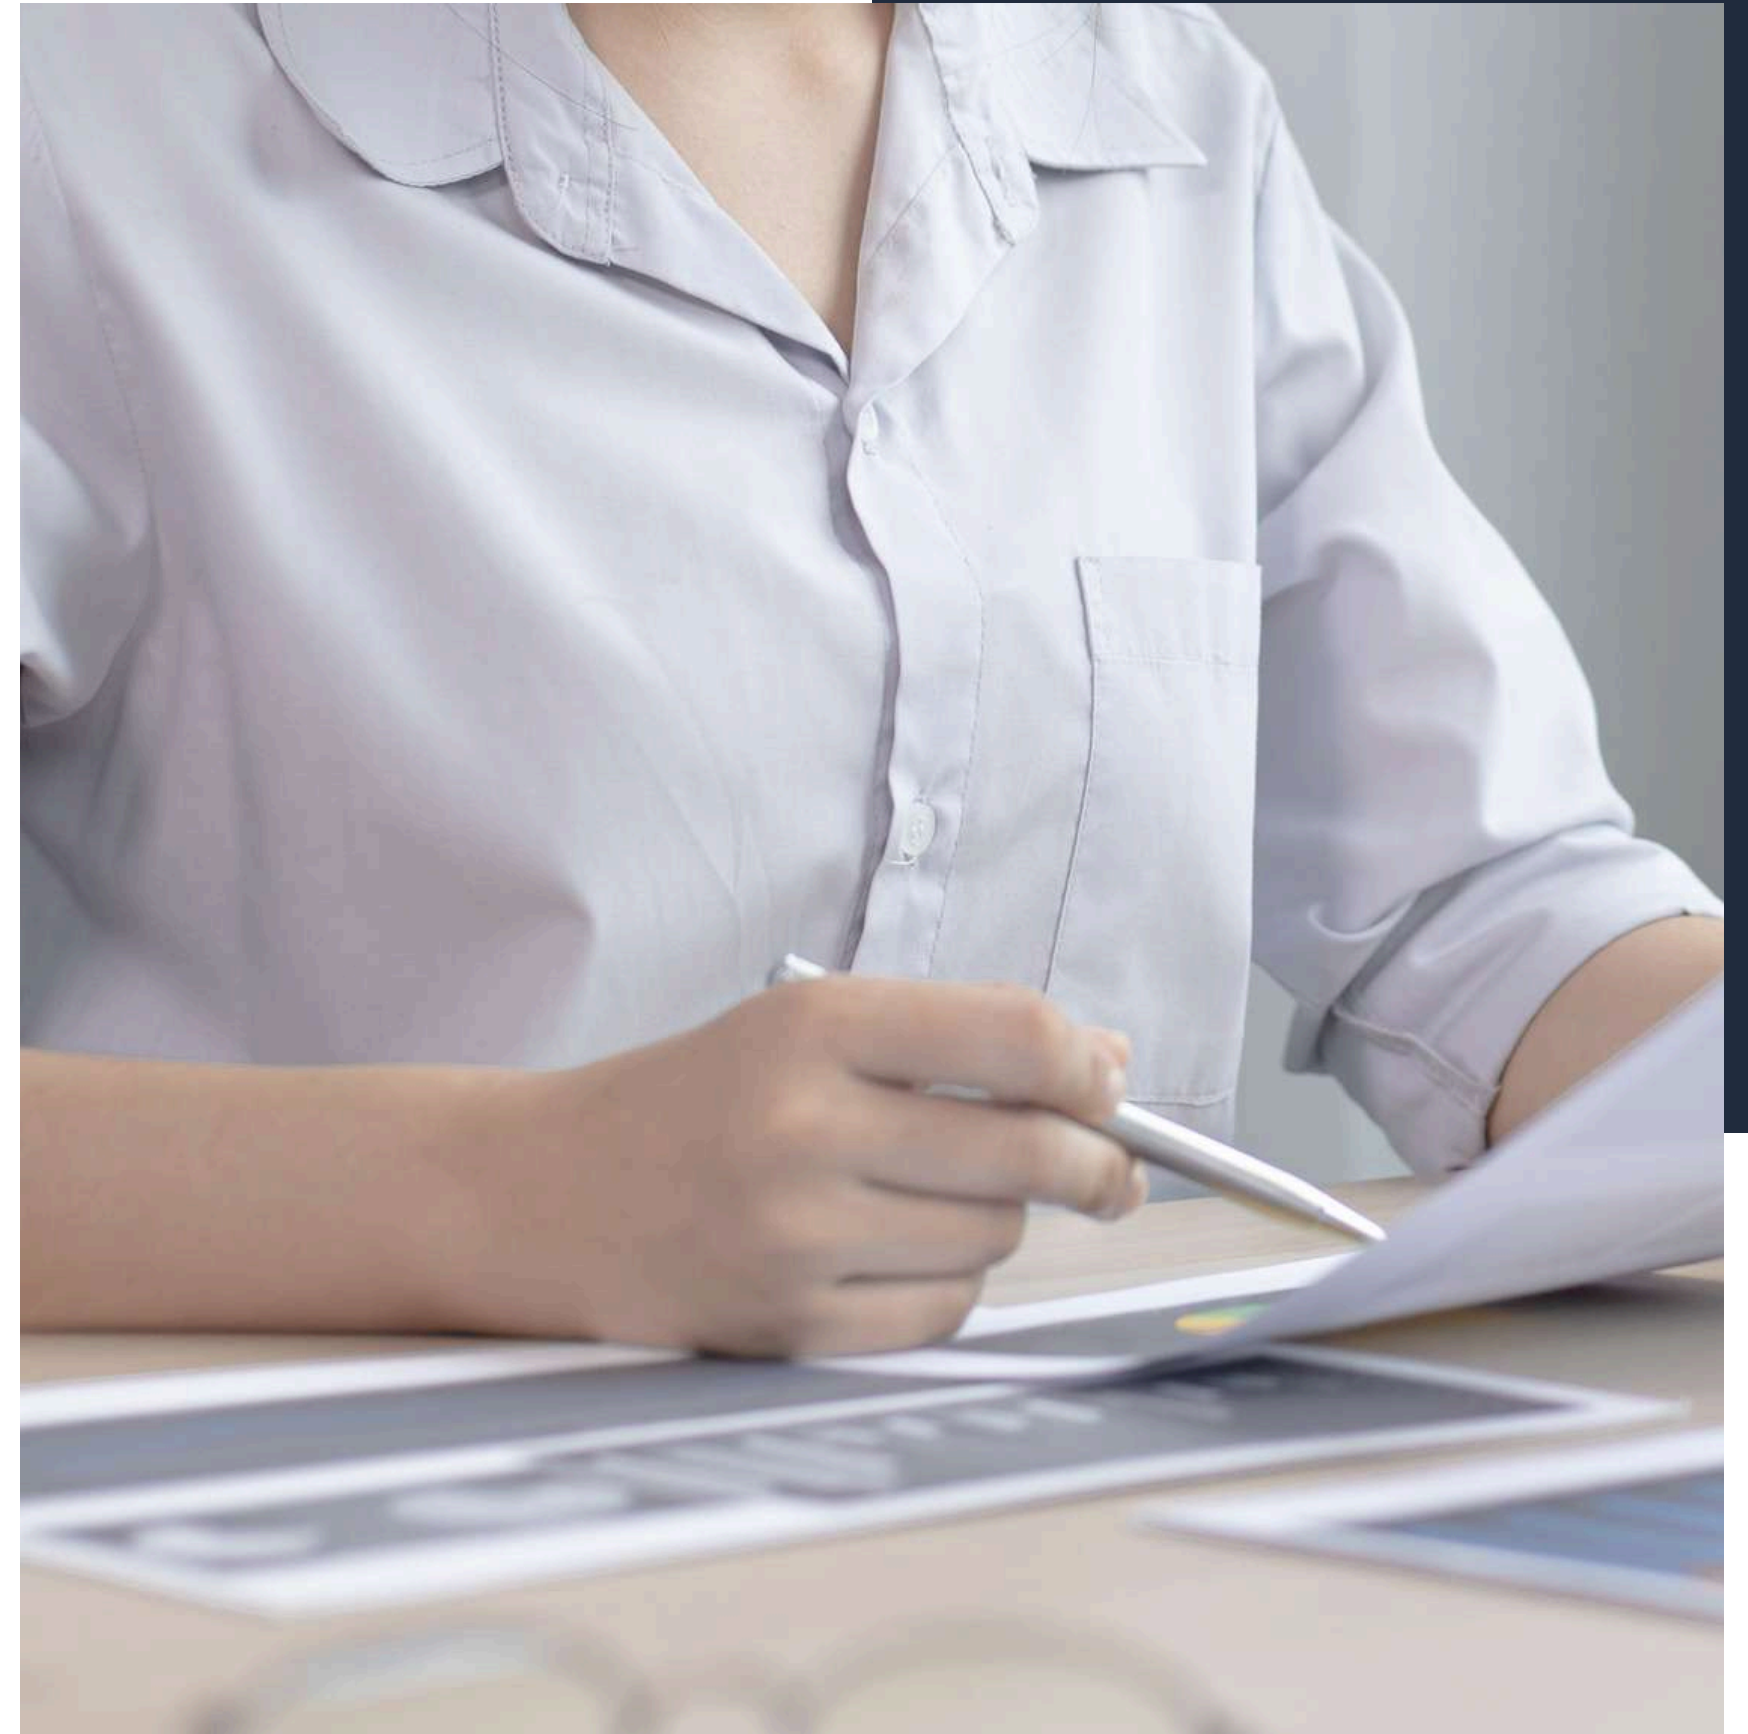

- Business and Personal Visa Procedures
- Residence Permit Procedures
- Work Permit Procedures
- Translation and Apostille Services
- Pre-Contract Procedures Between Employer and Work Force
- Procedure Follow-up

We carry out all of the procedures including bureaucratic procedures that require a process.

## WE PROVIDE **PRE-INTEGRATION** TRAININGS

We provide the work force in their own country with the basic information about working life, social security and health system, basic rules of social life in the EU member country where they will be employed, before they go to destination country.

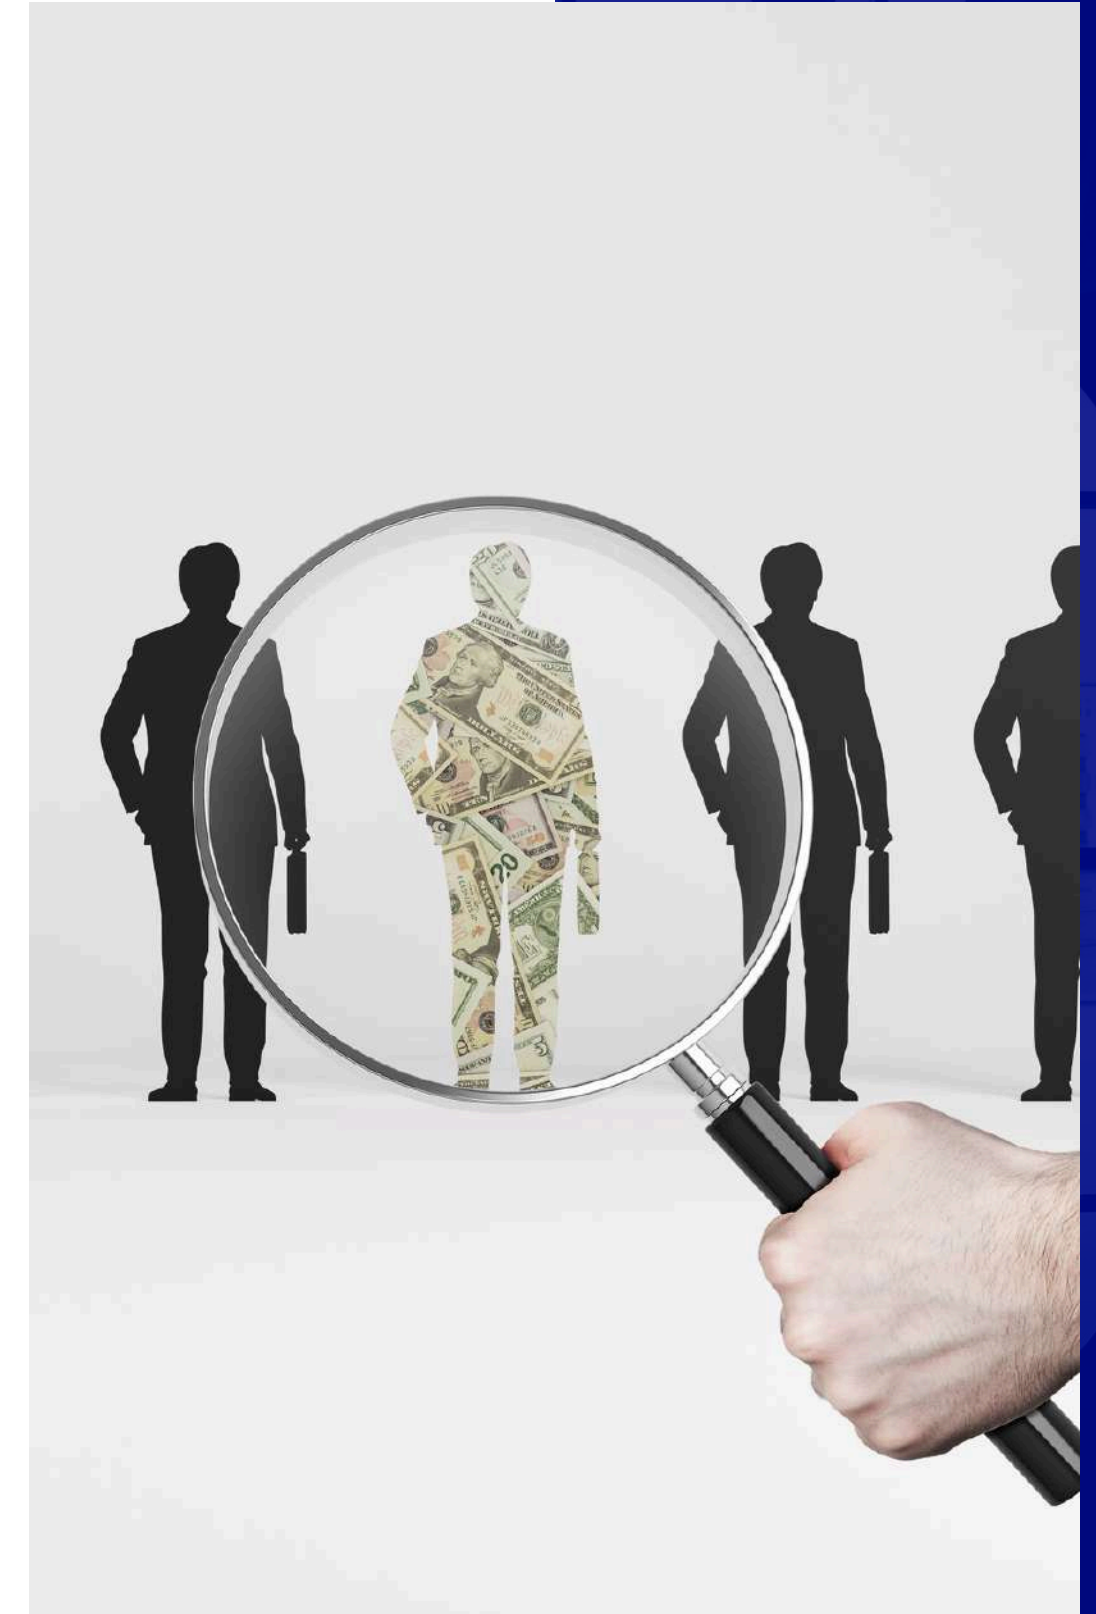

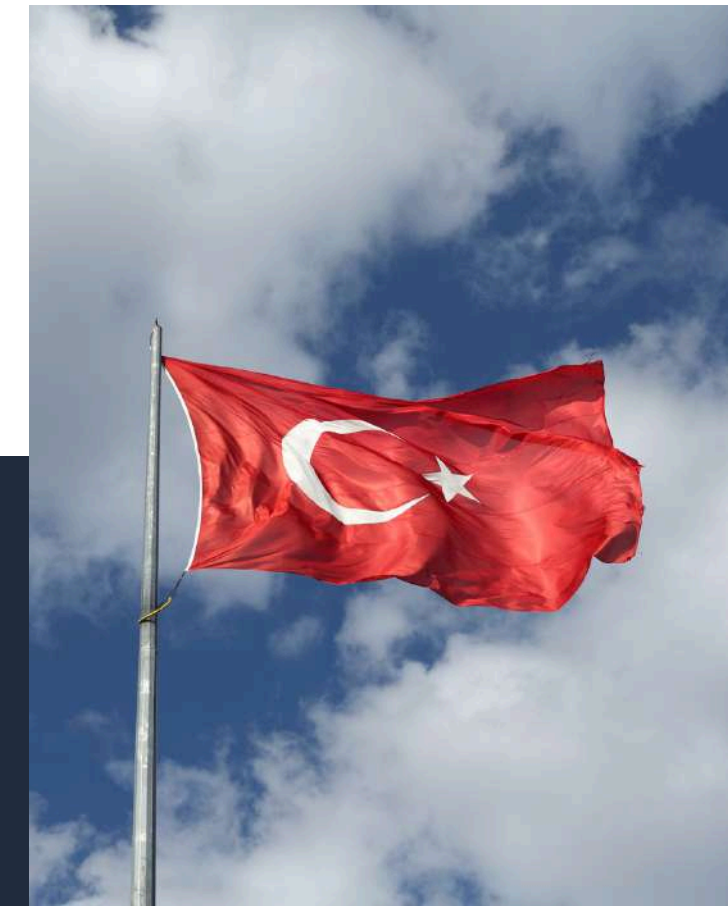

# WE ARE CREATING A LARGE POOL OF QUALIFIED WORK FORCE

As a company that brings together the qualified work force in Turkey with employers abroad, we create a large pool of qualified work force.

There are qualified work force in our pool who will work in different sectors. In our pool, there are qualified work force consisting of information and communication technologies specialists; industry, production and manufacturing workers; engineers; tourism and gastronomy personnel; transportation and logistics workers; construction and mining workers and other occupational groups.

# WHAT SOLUTIONS DO WE OFFER?

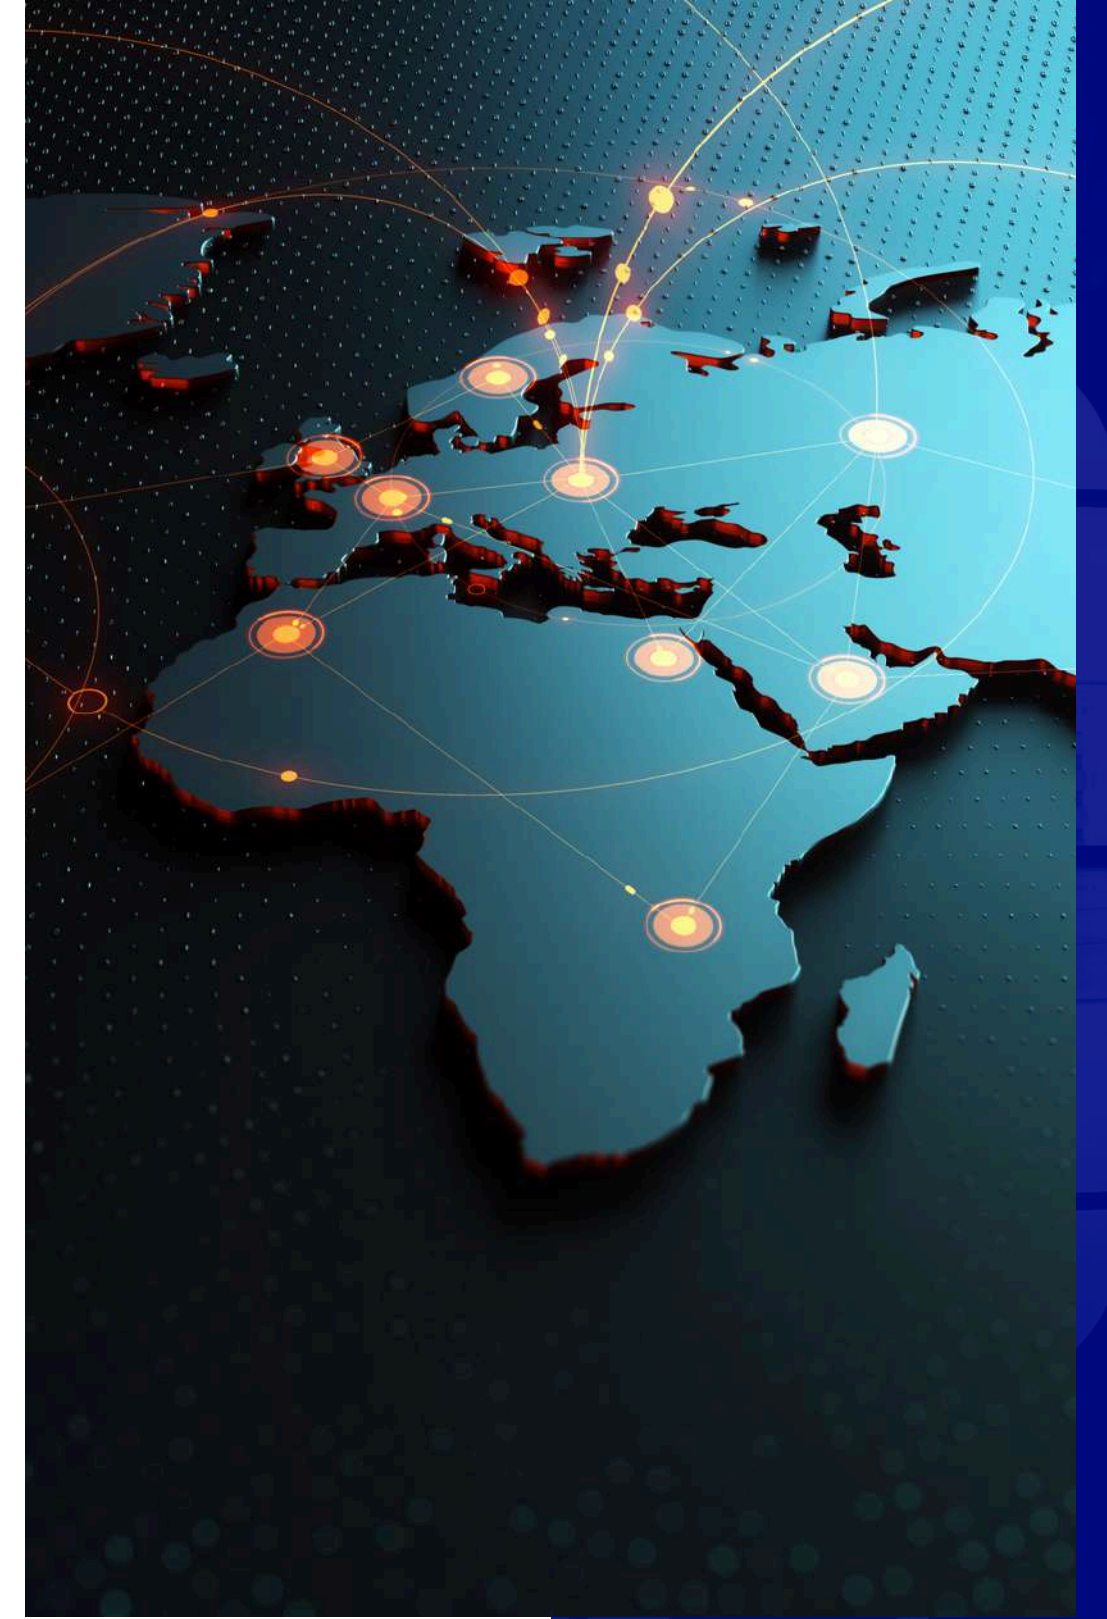

- We advise the companies in EU member countries on the job placement of the qualified Turkish work force and the necessary legal procedures,
- We prevent adverse conditions that may occur in the future by providing preliminary controls of qualified work force,
- We make time and cost savings by working with expert personnel in their fields

## WE AIM TO GAIN **INTERNATIONAL COMPETENCE** THROUGH COLLABORATIONS

We receive the requests of the qualified work force in our pool and the companies looking for qualified work force, thus making the most appropriate match.
